Killswitch Engage, Daylight Dies

Slowly, we watch the degradation of the civilization The rise and fall of all we are stands before us

This place is evil Is there an answer? This world is vile We are the answer

How long until we die?
Die from the inside out
How much is enough for us to see the light?
How much blood must be shed?

Contest the lies We cannot be so blind Hear their cries Don't wait till daylight dies (daylight dies).

When there is blood on our hands, How can we (how can we) ignore the truth?

Contest the lies We cannot be so blind Hear their cries Don't wait till daylight dies.

The cost of one life The price of one soul Is too much to bear.

No more broken promises Our shattered hearts will heal No more broken promises No more (no more)

Contest the lies We cannot be so blind Hear their cries. (Hear their cries.) Don't wait till daylight dies.

How long until it dies? How long? How long? How long until it dies How long? How long?
