

Kim Petras, If Jesus Was A Rockstar

If Jesus was a rockstar
Living like a party everyday
And diving off the stage
If he'd give it to a popstar
Then I, I'd want to be just like him

If Jesus was a rockstar
Throwing Daddy's money all around
While he was getting down
So they kicked him out of the bar
Then I, I'd want to be just like him

Maybe all I really need is something to believe (hell yeah, hell yeah)
I need someone who can teach me to get on my knees (hell yeah)
But if he looked like Kurt Cobain (I might)
If he drank the pain away (I might)
And If you think I can't be saved (that's right)
I really really want you to know that

If Jesus was a rockstar
Living like a party everyday
And diving off the stage
If he'd give it to a popstar
Then I, I'd want to be just like him

If Jesus was a rockstar
Throwing Daddy's money all around
While he was getting down
So they kicked him out of the bar
Then I, I'd want to be just like him

I might meet him in the bathroom (hell yeah, hell yeah)
We might pop one, a red or blue (hell yeah)
But if he looked like Kurt Cobain (I might)
If he drank the pain away (I might)
And If you think I can't be saved (that's right)
I really really want you to know that

If Jesus was a rockstar
Living like a party everyday
And diving off the stage
If he'd give it to a popstar
Then I, I'd want to be just like him

If Jesus was a rockstar
Throwing Daddy's money all around
While he was getting down
So they kicked him out of the bar
Then I, I'd want to be just like him
