

King Crimson, Sex Sleep Eat Drink Dream

sex sleep eat drink dream
primal tribal apple egg vegetable eel
i have a new canoe but it does not have a wheel

private velvet animal oldsmobile mind
i'm sitting in the fireplace burning up my time

private velvet animal empty t.v.
they're fishing in the kitchen
but they haven't caught up to me

primal tribal chemical digital night
i've got to get dressed to go out of my mind
