

King Diamond, Haunted

[music: Michael Denner & King Diamond; lyrics: King Diamond]

Stay Away, Molly's Soul Keeps Returning
Every Night To The Attic Shrine

Never Alone, Living Dolls Out Of Nowhere
Crying Out: "Mommy Why"

The House Is Forver Haunted
Nothing You Can Do
Molly Is Living There With Her Dolls
And They Are ALive...Wait And See
[Solo: Mike]
Stay Away, Mrs. Jane, Molly's Mother
Slowly Went...Insane

The House Is Forver Haunted
Nothing You Can Do
Molly Is Living There With Her Dolls
And They Are Alive...Wait And See
[Solo: Andy]
"Mommy...Mommy..."
I'll Destroy You
