

# King Diamond, Haunted

[music: Michael Denner & King Diamond; lyrics: King Diamond]

Stay Away, Molly's Soul Keeps Returning  
Every Night To The Attic Shrine

Never Alone, Living Dolls Out Of Nowhere  
Crying Out: "Mommy Why";

The House Is Forver Haunted  
Nothing You Can Do  
Molly Is Living There With Her Dolls  
And They Are ALive...Wait And See  
[Solo: Mike]  
Stay Away, Mrs. Jane, Molly's Mother  
Slowly Went...Insane

The House Is Forver Haunted  
Nothing You Can Do  
Molly Is Living There With Her Dolls  
And They Are Alive...Wait And See  
[Solo: Andy]  
"Mommy...Mommy..."  
I'll Destroy You
