

# King's X, What Is This?

oh lord it gets so complicated  
oh lord i don't know what to do  
god! it looks so hopeless  
but i know it isn't true  
what is this that gives me hope in the middle of the night and makes me turn to you  
what is this that lights my way through the hours of the day  
tell me what to do  
oh lord they say that i don't know you  
oh lord they say i am deceived  
god! it looks so hopeless but i know it isn't true
