

# Kings Of Leon, Crawl

You fault my pride  
Don't ever need to 'pologize  
As your lips unfold  
Shaken purple from the cold

You better learn to crawl  
You better learn to crawl  
Before I walk away  
Before I walk away

You broke my mouth  
The bloody bits are spitting out  
Is your grave unscathed  
The worm is counting down the days

He wants to see you crawl  
He wants to see you crawl  
Before I walk away  
Before I walk away

The reds and the whites and abused  
The crucified USA  
As their hypocrisy unfolds  
Oh hell is surely on its way

As the rat, and the fly  
They're searching for an alibi  
As we await the wrath  
They never went to Sunday Mass

They want to see us crawl  
They want to see us crawl  
Before they walk away  
Before they walk away

The reds and the whites and abused  
The crucified USA  
As their hypocrisy unfolds  
Oh hell is truly on its way
