Kings Of Leon, Trunk

Well I got What she wants Ah her nose A tied knot I got one mile to go On down the road On down the road

Well she got What I want And she knows What I'm not And I got one mile to go On down the road On down the road

She sang: Whoooooo

Whoooooo

Whoooooo Whoooooo

She got
What I want
And she knows
What I'm not
And I got one mile to go
On down the road
On down the road

She sang: Whooooooo Whooooooo Whooooooo

Whoooooo Whoooooo Whoooooo Whoooooo Whoooooo
