Kings Of Leon, Use Somebody

I've been roaming around Always looking down at all I see Painted faces, build the places I can't reach

You know that I could use somebody You know that I could use somebody

Someone like you, And all you know, And how you speak Countless lovers under cover of the street

You know that I could use somebody You know that I could use somebody Someone like you

Off in the night, while you live it up, I'm off to sleep Waging wars to shape the poet and the beat I hope it's gonna make you notice I hope it's gonna make you notice

Someone like me Someone like me, somebody

Someone like you, somebody Someone like you, somebody Someone like you, somebody

I've been roaming around, Always looking down at all I see
