

# Kiss, All For The Love Of Rock & Roll

Yeah, yeah, uu!

I was just another child going wild in the city  
Just getting by on a dream  
I was thinking that was gonna be so pretty, it was pretty mean

Yeah, I hit the road of no expectations  
Just leave them where I've been  
I didn't care about the fame or the money  
Show me a place to stay and I wanna go

Cause it's all for the love of rock & roll  
Hear my music in the air, and I'm losing control  
I don't care what you heard, I don't care what you do  
Cause it's all for the love of rock & roll

I hitched a ride on a train going no where  
Got 50 bucks in the bank  
Ain't a lot of dough, but when you know the feeling, well it feels alright  
Alright!

When you finish with a bang, and some honey grabs your hand, yeah  
You get to thinking you're right  
That's when you notice there's a ring on her finger  
That's when she tells you that she's single tonight

Well it's all for the love of rock & roll  
Hear my music in the air, and I'm losing control  
I don't care what you heard, I don't care what you do  
Cause it's all for the love of rock & roll

I got it made when I hit the stage at quarter to nine  
Yeah! Watch 'em dancing in the halls, and the fans really pumping  
Feel the rush and that's all it's about  
I'm in for life, and there's no getting out of the way

Yeah, all I want, all I need, yeah

Cause it's all for the love of rock & roll  
Hear my music in the air, and I'm losing control  
I don't care what you heard, I don't care what you do  
Cause it's all for the love of rock & roll  
All for my love of rock&roll
