

# Kiss, Hide Your Heart

Johnny saw her riding on a street car named Desire, his fate was sealed  
She could see him coming like a hundred other liars, it was no big deal  
Rosa had a lover on the shady side of town, Tito, he was king of the streets  
She was his possession like a jewel on his crown, Johnny better run, better run

Chorus:

Better hide your heart, better hold on tight  
Say your prayers, 'cause there's trouble tonight  
When pride and love battle with desire  
Better hide your heart, 'cause you're playing with fire

The ride was over but the story doesn't end, he took her heart  
She looked him in the eye and said they couldn't meet again  
You could see the trouble start  
The word went out that Rosa's messin' with someone, it was on the street  
Tito looked for Johnny with a vengeance and a gun  
Johnny better run, better run

chorus

Johnny's holdin' Rosa on a rooftop in the night, as time stood still  
They couldn't hear him coming 'til he had them both in sight  
You could feel a chill  
A shot ran out like thunder and the blood was on her hands, with nothing won  
When someone lies dying, lovers finally understand
