Kiss, I Love It Loud

Stand up, you don't have to be afraid, get down - love is like a hurricane Street boy, no I never could be tamed, better believe it

Guilty 'til I'm proven innocent, whiplash, heavy metal accident Rock on, I wanna be President, 'cos

Chorus:

I love it loud, I wanna hear it loud, right between the eyes Loud, I wanna hear it loud, I don't want to compromise Turn it up, hungry for the medicine, two fisted to the very end No more treated like aliens, we're not gonna take it No lies, no more alibis,

turn it up, it's got me hypnotized Rock on, I won't be tranquilized, 'cos

chorus repeats 2x

Headlines jungle is the only rule, front page roar of the nation cool Turn it up, this is my attitude, take it or leave it chorus repeats out [both lines 'I love it loud, ...']
