

Kiss, Larger Than Life

If you want to make believe
There's nothing up my sleeve
I'm a man as man can be
As you can plainly see
Don't want to see no tears
Eliminate your fears
When you think you've seen it all, baby

You can't believe your eyes, what you heard weren't lies
My love is too much to hold, too much to hold
Much to much

I'm someone you can't fight
I'm plain in size
You can't believe your eyes
What you heard were not lies
I'm too much to hold
I can't be bought or sold
I'm far more than a man
I'm gonna make you understand
I'm larger than a life size man

And you can't believe your eyes, what you heard weren't lies
My love is too much to hold, too much to hold

My love is larger than life, ooh larger than life
My love is larger than life, larger than life
My love is too much to hold, it can't be sold, oh no

You can't believe your eyes, what you heard weren't lies
My love is too much to hold, too much to hold

My love is larger than life, larger than life
My love is larger than life, larger than life
My love is too much to hold, it can't be sold, oh no
I'm larger than a life size man

My love is larger than life, larger than life
My love is larger than life, ooh larger than life
My love is too much to hold, it can't be sold, oh no
