## Kiss, Little Caesar

Ten million stories in the city, ten million backs against the wall Desperation's out tonight, you can cut it with a knife Everybody wants to have it all Well they tell you that the world is rough But they never rocked it hard enough Chorus:

Hey little Caesar, nobody messing with you
Hey little Caesar, go show 'em what you can do
Nobody said that it was pretty, you haven't got a penny or a prayer
You know it's gonna be a fight, if you wanna see your name in lights
Ain't nobody gives a damn out there
Well you got your guts, you got your pride
But you'll never let them see inside
chorus
(Spoken:)

Well you don't believe in the books and rules 'Cause you just believe in what you know is cool Well they tell you that the world is rough But they never rocked it hard enough - I can't hear you They just don't understand, you gotta fight to be a man chorus

Hey little Caesar, oh yeah, that's what it is Hey little Caesar, yeah
