Kiss, Rip It Out

Now I know, you've been cheatin' and lyin' all the time I didn't know you were gonna be so unkind I've been trying just to find out how we went wrong But I know that I can't trust you girl anymore Rip it out, take my heart, you wanted it from the start You got it now, so goodbye, so rip it out, watch me cry It's so sad, I'm not glad to be with you today And it's bad, 'cos I can't stop the pain day by day If I knew how to stop you, I don't think I'd try I think it's better if we just part and don't say goodbye Rip it out, take my heart, you wanted it from the start You got it now, so goodbye, so rip it out, watch me cry I hope you suffer!

Rip it out, take my heart, you wanted it from the start You got it now, so goodbye, so rip it out, watch me cry

Rip it out, take my heart, you wanted it from the start You got it now, so goodbye, so rip it out, watch me cry

Rip it out

Rip it out

Rip it out
