

Kiss, War Machine

Wanna bite the hand that feeds me, wanna turn the tides
Set the demons free and watch 'em fly
Strike down the one who leads me, I'm gonna take his place
Gonna vindicate the human race
Better watch out 'cause I'm a war machine
Better watch out 'cause I'm a war machine
Take the reins of power and seize them,
draw the battle lines
Armageddon's just a matter of time
Tear down the voice of reason, let the arrows fly
Your freedom's just a state of mind, yeah

Better watch out 'cause I'm a war machine
You better watch out 'cause I'm a war machine
You better watch out 'cause I'm a war machine
You better watch out 'cause I'm a war machine

Better watch out 'cause I'm a war machine
I'm a war machine, I'm a war machine
