Kiss, Within'

Cry without tears See without sight

Night without day

And every day's black as the night

Fly without wings Feel without touch

Touch without feel

And everywhere nothing is real

I wanna see from within

I wanna be where I've been

I want a truth not a lie

I wanna live 'fore I die

Life without death

World without end

Sleep without dreams

And nothing is quite what it seems

I want something more than you'll know

Follow myself and go where you can never go

And I see though my eyes are closed

I wanna see from within

(Cry without tears)

I wanna be where I've been

(See without sight)

I want a truth not a lie

(Night without day)

I wanna live 'fore I die

(And everywhere nothing is real)

(Touch without feel and everywhere nothing is real)

Inside you without your blessing

Inside me is me confessing

Outside you is outside me

And inside there is no guarantee

I wanna see from within

I wanna be where I've been

I want a truth not a lie

I wanna live 'fore I die

I wanna see from within

(Life without death)

I wanna be where I've been

(World without end)

I want a truth not a lie

(Sleep without dreams)

I wanna live 'fore I die

(And nothing is quite what it seems)

I want something more than you'll know

Follow myself and go where you can never go

Cry without tears

Night without day
