

# Kiss, You're All That I Want

You're the only girl I've been dreamin' of  
You're the only woman I ever loved  
I want you to believe it's true  
There's nothing I would rather do  
My heart belongs to you, I know what I'm at

You're all that I want  
You're all that I need  
You're all that I see  
You're everything to me  
You're all that I want

And you need to feel my love inside  
And I need to show what I can't hide  
It's something that you just can't fight  
It feels so good it must be right  
There ain't no use in lyin' to myself

Chorus:  
You're all that I want  
You're all that I need  
You're all that I see  
You're everything to me  
You're all that I feel  
You're my dream come true  
You're my everything  
No matter what you do  
You're all that I want

And if you leave me, don't say goodbye, 'cause you're all I need to get by  
chorus to fade
