

Kitty Wells, All The Time

All the time yes darling all the time tenderly constantly I'll love you

Every day I'll prove it every day in happiness or loneliness I'll love you

Other arms may tempt me don't let it worry you

For even when they tempt me I'll never be untrue

All the time yes darling all the time through the years smiles or tears I'll love you

[steel - fiddle]

Other arms may tempt me...
