

Kitty Wells, Am I That Easy To Forget

You say you've found somebody new but that won't stop my loving you

I just can't let you walk away forget the love I have for you

Yes I could find somebody too but I don't want no one but you

How could you leave without regret am I that easy to forget

Before you leave be sure you find you want her love much more than mine

Cause I'll just say we'd never met if I'm that easy to forget

Yes I could find somebody too but I don't want no one but you...
