

Kitty Wells, Fallen Star

A star fell from heaven right into my arms the brightest star I know I've never seen

Then I found out that it was only you with all your charms

Who came into my life to fill a dream

A fallen star that's what you are the twinkle in your eye came from the sky

You must have strayed from the Milky Way a fallen star that's what you are

[steel]

A fallen star that's what you are...
