

# Kitty Wells, Hello Walls

Hello walls how things go for you today

Don't you miss him since he upped and walked away

And I'll bet you dread to spend another lonely night with me

But lonely walls I'll keep you company

Hello window well I see that you're still here

Aren't you lonely since our darling disappeared

Well look here is that a teardrop in the corner of your pane

Now don't you try to tell me that it's rain

He went away and left us all alone the way he planned

Yes we'll have to learn to get along without him if we can

Hello ceiling I'm gonna stare at you a while

You know I can't sleep won't you bear with me awhile

We must all stay together or else I'll lose my mind

I've got a feeling he'll be gone a long long time
