

# Kitty Wells, I Forgot More Than You'll Ever Know

You think you know the smile on his lips the thrill at the touch of his fingertips  
But I forgot more than you'll ever know about him  
You think you'll find a heaven of bliss in each caress each tender kiss  
But I forgot more than you'll ever know about him  
You stole his love from me one day you didn't care how you hurt me  
But you can never steal away mem'ries of what used to be  
You think he's yours to have and to hold someday you'll learn when his love grows cold  
That I forgot more than you'll ever know about him  
[ piano ]  
You stole his love from me...
