

# Kitty Wells, Love's Enough For Me

[ Kitty Wells ]

You don't have to give to me great riches you don't need to prove a thing to me  
All I want is love and understanding oh yes darling love's enough for me  
Love's enough for me and your love is all I need  
To make my life one happy dream love's enough for me

[ steel ]

You promised me the day that we were married  
That you would lay the world at my feet  
And darling you have always kept your promise  
You know by now that love's enough for me  
Love's enough for me...
