

Kitty Wells, Love's Enough For Me

[Kitty Wells]

You don't have to give to me great riches you don't need to prove a thing to me

All I want is love and understanding oh yes darling love's enough for me

Love's enough for me and your love is all I need

To make my life one happy dream love's enough for me

[steel]

You promised me the day that we were married

That you would lay the world at my feet

And darling you have always kept your promise

You know by now that love's enough for me

Love's enough for me...
