

Kitty Wells, Make The World Go Away

Make the world go away get it off of my shoulders

Say the things you used to say and make the world go away

Remember when you loved me before the world took me astray

If you do then forgive me and make the world go away

Make the world go away...

[piano]

I'm sorry if I hurt you I'll make it up day by day

Say you love me like you used to and make the world go away

Make the world go away...
