

Kitty Wells, Stand By Your Man

Sometimes it's hard to be a woman giving all your love to just one man

You'll have bad times and he'll have good times doin' things that you don't understand

But if you love him you'll forgive him even though he's hard to understand

And if you love him all be proud of him cause after all he's just a man

Stand by your man give him two arms to cling to

And something warm to come to when nights are cold and lonely

Stand by your man and show the world you love him

Keep giving all the love you can stand by your man

Stand by your man...
