

Kitty Wells, Tomorrow Never Comes

Oh you tell me that you love me yes you tell me that you care

That tomorrow we'll be married but tomorrow's never there

No tomorrow never comes no tomorrow never comes

Now you tell me that you love me but tomorrow never comes

(Oh come on in there Jerry Smith - oh Russ Higgs now)

[piano - steel]

Many weeks now have I waited many long nights have I cried

Just to see that happy morning when I'd have you by my side

No tomorrow never comes...
