

Kitty Wells, Touch My Heart

Touch my heart feel the hurt it's destroying me

I've tried but can't seem to shake his memory

Touch my heart feel the hurt the pain and misery

And tell me again what love can do for me

If you lived in my world awhile you'd soon forget how to smile

In my world there's a million ways to cry

If you had my eyes you could see how someone changed my destiny

I'm a girl who can't live and yet can't die

[steel]

Touch my heart...
