

Kitty Wells, Welcome To My World

Welcome to my world won't you come on in miracles I guess still happen now and then

Step into my heart leave your cares behind welcome to my world built with you in mind

Knock and the door will open seek and you will find

Ask and you'll be givin' the key to this world of mine

I'll be waiting here with my arms unfurl waiting just for you welcome to my world

[steel]

Waiting just for you welcome to my world
