

# Kjartan Salvesen, Hour

Verse 1:

Every day I wake up.  
Every day I know.  
That if we ever should brake up  
I couldn't live, I would miss you so.  
And more than anything to me  
Your my little girl, you light up my world.  
And everything that you do.

Chorus:

Every awaken hour.  
Every beautiful day.  
I'm gonna stand by you for the rest of my life  
In every possible way.

Verse 2:

Remember the time when I told you.  
That I could make you fly.  
And if you fell like a bolldue (?)  
I'd never be afraid of the sky  
Cause your so beautiful to me  
And this I time I feel, that this is for real  
And everything that you do.

Chorus:

Every awaken hour.  
Every beautiful day.  
I'm gonna stand by you for the rest of my life  
In every possible way

Pre Chorus:

My intuition tells me you feel the same way too  
And believe me when I tell you baby, my love is just for you.

Last Chorus:

Every awaken hour.  
Every beautiful day.  
I'm gonna stand by you for the rest of my life  
In every possible way  
Ye-ye-yeah  
Every beautiful day.  
I'm gonna stand by you for the rest of my life  
In every possible way  
In every possible way  
Every beautiful day
