

# Klaatu, Cherie

"Cherie"  
(Dee Long)

You're the answer to my question  
You're the theme of my every whim  
You're the highlight of my invention  
Tell me whether I sink or swim.

Chrie be my Chrie  
Marry me my Chrie ...

In the twilight come to my light  
Chase the dark away when it comes  
Chrie won't you stand to my right  
Have our memories just begun?

Chrie be my Chrie  
Marry me my Chrie ...

Everything's ours if we want it together  
Everything's here if we want it to be  
Come bring me flowers and bring me a feather  
I'll bring you present and bring you your tea.

Chrie be my Chrie  
Marry me my Chrie.
