## Klangkarussell, Sonnentanz (Sun Don't Shine Ft.

I've walked through the valleys of the wilderness in time, Only to find out That you have love in places I can't describe, yeah I need you It's the sunrise

I just wanted to let you know, I love you Don't ever let go Cos the sun don't shine when you're not around mines And I'll never, be without you

Singing the sun don't shine The sun don't shine /2x The sun don't shine without you, without you

The world is bass and time, your love is mine But the sun don't shine without you, without you, yeah

When I saw you rise the other day, I felt our worries just seem to melt away into you Into you, yeah

I just wanted to let you know I love you Don't ever let go If the sun don't shine when you're not around mines And I'll never, be without you

Singing the sun don't shine, The sun don't shine /2x The sun don't shine without you, without you

The world is bass and time, your love is mine But the sun don't shine without you, without you, yeah
