Trustfall, baby  
It's a trustfall, baby

Picture a place where it all doesn't hurt  
Where everything's safe and it doesn't get worse, oh my  
We see through bloodshot eyes

Picture a place somewhere else far away  
Where you know what they mean and they mean what they say to us  
And would that be enough?

Are we running out of time?  
Are we hiding from the light?  
Are we just too scared to fight for what we want tonight?

Close your eyes and leave it all behind  
Go where love is on our side  
It's a trustfall, baby  
It's a trustfall, baby

You and I and everyone alive  
We can run into the fire  
It's a trustfall, baby  
Yeah it's a trustfall, baby

Jump with me, come with me, burn like the sun  
We'll talk then we'll cry then we'll laugh 'til we're done, oh my  
It's like we're out our minds

We've been running for our lives  
We've been hiding from the light  
We've been far too scared to fight for what we want tonight

Close your eyes and leave it all behind  
Go where love is on our side  
It's a trustfall, baby  
It's a trustfall, baby

You and I and everyone alive  
We can run into the fire  
It's a trustfall, baby  
Yeah, it's a trustfall, baby

What if we just fall?  
I'm not going without you  
And you're not going alone  
I fell so far till I found you  
But you know what you know when you know  
So I'm not going without you  
And you're not going alone  
'Cause you know when you know

Close your eyes and leave it all behind  
Go where love is on our side  
It's a trustfall, baby  
It's a trustfall, baby

What if we just fall?  
What if we just fall?  
What if we just fall?  
What if we just fall?

What if we just fall?  
What if we just fall?

What if we just-
