

Klaudia Kulawik, Maybe Today

This time, I will miss
You cannot guess
So I will wait
Count the days
Being patient
By finally, this one time
Look in your eyes a second longer

so maybe today
someone will catch me
in the rush of the day
and won't let go
embrace me so close
that even in my dreams
I won't go far

I don't wanna feel that it hurts
I don't wanna know the other side
so I'm just waiting
I wish, I hope, I believe
that it's in you
the feeling name love

so maybe today
someone will catch me
in the rush of the day
and won't let go
embrace me so close
that even in my dreams
I won't go far

I don't wanna feel that it hurts
I don't wanna know the other side
so I'm just waiting
I wish, I hope, I believe
that it's in you
the feeling name love
