

# Klymaxx, I Miss You

## VERSE ONE

Thought I heard your voice yesterday  
Then I turned around to say that I loved you  
then I realized  
that it was just my mind  
playing tricks on me....

It seems colder lately at night  
and I try to sleep with the lights on  
Everytime the phone rings  
I pray to God it's you  
I just can't believe (just can't believe)  
That we're through...

## CHORUS

I miss you (I miss you...)  
Theres no other way to say it  
And I, And I can't deny it.  
I miss you (I miss you...)  
It's so easy to see  
I miss you and me.....

## VERSE TWO

Is it done and over this time?  
Can we ever change our minds?  
But it's our first love...  
all the feelings that we used to share...  
I refuse to believe that you don't care.

## CHORUS

I miss you (I miss you...)  
Theres no other way to say it  
And I,And I can't deny it.  
I miss you (I miss you...)  
It's so easy to see  
I miss you and me.....

## BRIDGE

I've got to gather my senses together (Gather)  
I've been through worse kinds of weather  
If it's over now (over now)  
be strong (be strong)  
I can't believe that you're gone...  
I've got to carry on.

## CHORUS

I miss you (I miss you...)  
It's driving me crazy  
I don't want to live without you.  
I miss you (I miss you...)  
It's so easy to see  
I miss you and me.....
