

Kobra And The Lotus, Dont Talk to Strangers

Don't talk to strangers
Cause they're only there to do you harm
Don't write in starlight
Cause the words may come out real
Don't hide in doorways
You may find the key that opens up your soul
Don't go to Heaven cause it's really only Hell
Don't smell the flowers
They're an evil drug to make you lose your mind
Don't dream of women cause they'll only bring you down

Hey you you know me you've touched I'm real
I'm forever the one that lets you look and see and
Feel me I'm danger - I'm the stranger

I, I'm darkness I'm anger I'm pain
I, I'm a master
The evil song you sing inside your brain
Drive you insane
Don't talk
Don't let them inside your mind yeah
Run away run away go

No no don't let them in your mind
Protect your soul

Don't dance in darkness
You may stumble and you're sure to fall
Don't write in starlight
Cause the words may come out real

Don't talk to strangers
Cause they're only there to make you sad
Don't dream of women
Cause they'll only bring you down

Yeah
Run away run away
