

Kobra And The Lotus, Get the Fuck Out of Here

I've got a secret I've been keeping
And I'm dying to tell
I've been wishing for the best
But this isn't gonna turn out well

Pretty pretty girls aren't always nice
A kiss so sweet but a heart of ice
She will spit you out

Run, run, run!
Gotta get the fuck out of here!
Or it will be the end of you, I swear

So hear my confession
It'll turn into obsession
Beware
She's a picture-perfect image
Now she's turning into your nightmare

Don't you know honey you're the pick of the week
She doesn't really love you for the reasons you think

She will spit out

Run, run, run!
Gotta get the fuck out of here!
Don't look back, it'll be the end I swear!
I'll warn you once
I'll warn you twice
That if you stay you'll pay the price
Run, run, run!
Gotta get the fuck out of here!

Beauty queens and toxic dreams
like cigarettes and kerosene
It's all too much for me
I don't like what I see

Picture-perfect
Sugar and spice
Tastes so good
It'll cost your life
Poison kisses
Heart of ice
Just wake the fuck up!

Run, run, run!
Gotta get the fuck out of here!
Don't look back
it'll be the end I swear
I'll warn you once
I'll warn you twice
That if you stay you'll pay the price
Run, run, run!
Gotta get the fuck out of here!
Run!
Oh
Run!
Whoa!
