

Koda Kumi, 24

Me ga sameru to ukabu your smile
Tokimeku mune yo yeah
Omoitsunoru day by day
Yume no kuni e tsurete itte
Mada bed kara detakunai
Sono tsudzuki mou sukoshi
Me wo tojireba one more chance
Awasete hoshii
Sou ano hito ni
Wasuretai kako yo
Atashi wo semenaide
Oh baby blue
Ima no koi wo taisetsu ni shitai
I try to be with you
But you're so far away
Wanna be with you
24Hours
Try to be with you
I hope that you will come to me
Wanna hold you tight all night long
Kimi to deaeta kiseki
Subete kawatteku
Ima made no jibun ni
Sayonara wo shite
Arinomama tsutaetai
Mahou wo kakete tinka-beru
Imasugu kare no moto e
Fly away
Futari kitto kodomo no koro e
Come back
I try to be with you
But you're so far away
Wanna be with you
24Hours
Try to be with you
I hope that you will come to me
Wanna hold you tight all night long
