With a girl heading to the spot
So now you're trynna play me like a fool
That ain't cool, that ain't cool so*

Did you really think that I wouldn't find you out
I guess somebody decided to sell you out
They told me about her and what you plan to do
You tried to have your cake and eat it too
The woman isn't gonna work that way
It doesn't really sit well with something to tell
When you hurt me you really hurt yourself

* repeat x2
What you gonna do
What you gonna do about it ?
Did you really think that I was really that easy ?
Don't make me laugh, anata koha Tired
I'm gonna throw you out, that's what I'm gonna do
A girl can have her cake and eat it too
I was just pretending to play that game

What you gonna do about it ?
