Kodaline, High Hopes

Broken bottles in the hotel lobby Seems to me like I just scared then I never feel you again I know it?s crazy to believe in silly things It?s not that easy

I remember it now
When take me back to when we first _____
But I?ve only can blame myself for it
And I excepted it know
It?s time to let it go
Go out and start again
It?s not that easy
But I got high hopes
It take me back where we started
high hopes
When you go out
And start again
House, when all goes to the end
The keeps spinning around
