Komodo, Alone (feat. Roxie, Roxana Węgiel)

Baby
Don't you want love me again
Cause I need
Come hold my by Your hand
Baby - imma love you alone
Thinking of you all night long
Baby you know i'm on my own
If i knew only if i knew
Then i'm gonna love you alone
Thinking of you all night long
Baby you know i'm on my own
If i knew only if i knew
Then - i'm gonna love you alone

And I can't help but wonder why
It ends up like this every time
As the days and nights go by
It's just You and I

Then - i'm gonna love you alone
Thinking of you all night long
Baby you know i'm on my own
If i knew only if i knew
Then - i'm gonna love you alone

Then - i'm gonna love you alone
Alone, Alone, Alone
Then - i'm gonna love you alone
