

# KONGOS, Come With Me Now

Afraid to lose control  
And caught up in this world  
I've wasted time, I've wasted breath  
I think I've thought myself to death

I was born without this fear  
Now only this seems clear  
I need to move, I need to fight  
I need to lose myself tonight

Come with me now  
I'm gonna take you down  
Come with me now  
I'm gonna show you how

I think with my heart and I move with my head  
I open my mouth and it's something I've read  
I stood at this door before, I'm told  
But a part of me knows that I'm growing too old

Confused what I thought with something I felt  
Confuse what I feel with something that's real  
I tried to sell my soul last night  
Funny, he wouldn't even take a bite

Far away  
I heard him say (come with me now)  
Don't delay  
I heard him say (come with me now)
