

Kool & The Gang, Lets Go Dancin

MISLED

Kool & The Gang

Late at night, body's yearning

Restless night, want to be with you

Someone's playing in the garden

So enticing, he's sure to take a bite

I don't know what's come over me, yeah

She's as heavy as a Chevy

Pure excitement, misled

When she touches, can't resist her

I'm a puppet when she's playing

She's outgoing but I love her so

Misled

So I'm saying now

*Baby baby, what's your claim to fame

Got me out of bed, heard you call my name

What's this crazy place you want to take me to

Tell me, what's the price if I go with you

My heart, my soul, my love

Is it the goal?

It's a thrill then I will

Be misled, be for real

Thought I knew her, this lady

Opportunist, misled

Always searching for adventure

Like Pandora's box, misled

And I don't know what I'm gonna do without her

*Repeat

I've got this feeling and it's blocking my way

But I love her just the same, just the same

Oh yes I do

Misled, heard you call my name

Misled, what's your claim to fame

Misled, said I would understand

Misled, with a bomb of broken venus

Misled, not a word is said

Misled, baby, that's your name

Misled, what's what's your claim to me

My heart, my soul, my love

Is that goal?

It's a thrill then I will

Misled, won't you be fo real**

Baby, baby, what's your claim to fame

Got me out of bed, heard you call my name

What's this crazy place you want to take me to

Tell me, what's the price If I go with you

*_**Repeat

Misled, misled

Misled, misled

I was misled by you

Misled, misled
