

Kool & The Gang, Take It To The Top

Straight ahead

straight ahead

hey

Let's go straight ahead to straight ahead

straight ahead

Come on - straight ahead

moving straight ahead

Keep moving straight ahead

straight ahead

yeah.

So you started from the bottom but you always saw the light

And now you're ready for your journey - one direction reaching high.

Keep the feeling of the spirit always present as you climb.

One direction

one vibration

that's the message

let us try.

Straight ahead

keep moving

yeah

moving straight ahead

Keep moving straight ahead

straight ahead-yeah.

Keep the feeling of the spirit always present as you climb.

One direction

one vibration that's the message -

You can make it if you try. - Keep moving straight ahead

Straight ahead

moving straight ahead.

Keep moving straight ahead in love

oh yeah.

Let's go

let's go.

Keep the spirit high and your heart in love

keep on movin'.

Keep the spirit high and your heart in love.

Keep your head above and your heart in love

keep on movin'

Keep your head above and your heart in love

keep your feelings now

Keep moving straight ahead

straight ahead

Straight ahead

keep moving straight ahead.
