

# Korn, Can You Hear Me

it walks whit me  
it takes its time  
it sinks its teeth in one at a time  
it loves to feed  
it loves my past  
it's always taunting but somehow out of grasp

can you hear me?  
cause I am lost  
and I may never come back again  
and while my heart keeps holding on  
I know I'll never be the same again

it talks to me  
it holds my hand  
it showers me whit things I can't understand  
it has no reason  
it kowns no time  
it's constantly watching  
so it's not left behind

can you hear me?  
cause I am lost  
and I may never come back again  
and while my heart keeps holding on  
I know I'll never be the same again  
can you hear me?  
cause I am lost  
and I may never come back again  
and while my heart keeps holding on  
I know I'll never be the same again

you know I 'll never be the same again  
you know I 'll never be the same again  
you know I 'll never be the same again  
you know I 'll never be the same again

can you hear me?  
cause I am lost  
and I may never come back again  
and while my heart keeps holding on  
I know I'll never be the same again  
can you hear me?  
cause I am lost  
and I may never come back again  
and while my heart keeps holding on  
I know I'll never be the same again
