

# Kosher, Top of the World

Time has passed so slowly since you've been gone.  
So why do I feel I have to stay up till the break of dawn?  
The white lines passed and hypnotized, so restless, now stir crazy.  
Now I can't get these songs out of my mind,  
and I feel like I'm wasting time.  
The rings under my eyes show that I'm wasting time.  
On the road that is so lonely.  
But I hope that will never change,  
and I hope you hear what I'm saying.  
I belong on the lost highway.  
Top of the world, top of the heap.  
I can't keep on saying the things that I used to, they remind me of you.  
And when I wake up in the morning and I can't shake this feeling,  
sometimes I don't want to wake up at all.  
And the pills that I take, they might help,  
but when I wake I just wanna keep dreaming, dreaming, dreaming...  
On that road that is so lonely.  
But I hope that will never change,  
and I hope you hear what I'm saying.  
I belong on the lost highway.  
Top of the world.
