

KOVALCZYK BIG BAND PROJECT, Raise Me Up

You're my whole world I can't live without you
You make me crazy when I think of you
My heart beats faster
I like to be sure that you've only mine

Raise me up
Even for the moment
Raise me up
Where we will be happy
Raise me up
I want to memorize this moment
Experience it even once
/2x

I ask myself the same question again
If you love me the way I love you
I like to remember only good moments
But something tells me it won't happen

Raise me up
Even for the moment
Raise me up
Where we will be happy
Raise me up
I want to memorize this moment
Experience it even once
/2x
