Endless Highway, As Far As I Can See  
The Road'll Take Me Back to Him Tonight  
It's Been So Long Since I've Seen Him Smile  
I'll Be Counting All the Miles 'til I Get Home  
How Many Hours 'til I Hold Him?  
How Many Days Before We Hit the Road Again?  
Endless Highway, He Don't Know How Much I Miss Him  
Heading Down This Road, Bound For Tennessee  
Lonesome Feeling, Deep Inside My Heart  
Longing For This Weary Night to End  
I'll Think About Him, Try to Keep My Tired Eyes Open  
Come the Morning Light, I'll Be Back Home Again  
How Many Hours 'til I Hold Him?  
How Many Days Before We Hit the Road Again?  
Endless Highway, He Don't Know How Much I Miss Him  
Heading Down This Road, Bound For Tennessee  
Repeat Chorus
