

# Kra, Lost Number

Hurry! Run away or you get caught.  
Why don't you accept this? This situation.  
Oh, yes. Let's play a easy game.  
What you gotta do is just to run away.  
You are free to choose how you win. Can you run?  
Hide away?  
Or die?

Keep hiding in the spot, so you can pray for not to be found.
